

## News of Victory

MELILEA has rose to challenges and exhibited its glory and pride on the international stage, and today's glory and success is the fruit of our perseverance and hard work!

More than 3,000 international competitors from over 40 countries worldwide vied for the 2011 Stevie Award, New York, USA. After stringent review and selection by over 200 professional and internationally recognised panel of judges, MELILEA led the pack and stood out from its competitors, and once again, made history in the industry.

Datuk Dr. Alan Wong has been crowned as the 2011 Stevie Award Winner, Executive of the Year – Health Products & Services Management Awards Categories of the 2011 International Business Awards and MELILEA International has been awarded Distinguished Honoree Medal – Company of the Year 2011 in Health Products & Services. MELILEA Taiwan has also been awarded Distinguished Honoree Medal – Fastest-Growing Company of the Year 2011 in Asia, Australia and New Zealand region.

To all Melileans, organic lifestyle is our common belief and direction. Let us uphold the mission of 'Transforming People's Lives' and hand in hand, strive towards another peak and achieve a remarkable future!
